# Asian Societies of Cosmetic Scientists **ASCS CONFERENCE 2024**

6-8 March 2024, Alila Diwa, Goa

## **FINAL PROGRAMME**

# ASCS 2024 CONFERENCE

6-8 March 2024, Alila Diwa, Goa

**Theme: Evidence-based, Sustainable Sensorial Science:  
Traditional knowledge meets modern science**

The ASCS-2024 Conference brings the Who's Who of Asia's thought leaders in cosmetic science and technology together against the scenic backdrop of Goa, one of India's leading tourist destinations.

Within the overarching Conference Theme of "Evidence-based, sustainable sensorial science: where traditional knowledge meets modern science", the event is structured into five session theme tracks:

- Evidence-based Beauty and Wellness through functional ingredients
- New sensory trends in formulations
- Next-generation perfumery
- Sustainable supply chains and Circular Economy models
- Evolving Safety and Regulatory Landscape in Asia

Keynote, plenary, contributed talks and posters addressing these five tracks, as well as a special poster session theme on New Science, will bring forth the latest concepts in the sector for the benefit of the widely international audience. Confirmed speakers from Singapore, France and Japan would also enrich the many student attendees who are expected to be present as part of the future workforce of an exciting industry.
